

ILPRA: DISCLOSURE ON THE PURCHASE OF TREASURY SHARES

Mortara (PV), 7 October 2024

ILPRA (ILP:MI), an innovative SME active in the *packaging* sector with a wide range of machines and technological solutions for the packaging of food, cosmetic and medical products, announces that, as part of the share buyback and disposal program, approved by the ordinary shareholders' meeting on April 29, 2024 (for a period of 18 months from the date of the meeting) and launched following the Board of Directors of 16 May 2024, purchased, in the period between 7 October 2024 and 11 October 2024, 600 treasury shares at a weighted average price of 5.0500 euros per share, for a total consideration of 3,030.00 euros. The purchases of treasury ordinary shares were made through Integrae SIM S.p.A. as intermediary appointed to carry out the operations, in compliance with the applicable provisions of law and regulations and according to the methods, terms and conditions contained in the authorization for the purchase and disposal of treasury ordinary shares, granted by the Company's Ordinary Shareholders' Meeting.

The following tables provide details of purchases made in the above period:

Purchases				
Operation Date	Quantities Purchased	% Share Capital	Average Price (Euro)*	Value (Euro)
08/10/2024	600	0,005%	5,0500	3.030,00
Total	600	0,005%	5,0500	3.030,00

*The average gross price is calculated as the average of the daily operating prices weighted by the quantities purchased on the same day.

As a result of these transactions, ILPRA S.p.A. owns, as of 11 October 2024, 176,400 treasury shares, equal to 1.465% of the share capital. The companies controlled by ILPRA S.p.A. at the same date do not hold treasury shares.

ILPRA (ILP:MI) is active in the production and sale of machinery for the packaging of food, cosmetic and medical products. Founded in 1955, it is one of the main players in the *packaging* sector thanks to its wide range of machines (tray-sealers, fillers, thermoforming machines, doypacks, dosing machines, weighers, packaging machines for beauty and end-of-line) and cutting-edge technological solutions. An innovative SME, it stands out for its continuous investments in R&D (5.0 million euros in the last 3 years) which have allowed it to develop innovative technologies and packaging techniques internally capable of promptly satisfying customer needs. The ProGas technology, patented by ILPRA, is based on an exclusive work cycle that reduces the use and waste of gas and increases the productivity of machinery. With more than 19,600 machines sold, 334 employees, a vast network of salespeople and a presence in 8 countries (Italy, UK, Hong Kong, United Arab Emirates, Saudi Arabia, India, Russia and South Korea), the Group achieves about 65% of its turnover abroad and directly oversees markets all over the world.
