ILPRA (ILP:MI) is active in the production and sale of machinery for the packaging of food, cosmetic and medical products. Founded in 1955, it is one of the main players in the *packaging* sector thanks to its wide range of machines (tray-sealers, fillers, thermoforming machines, doypacks, dosing machines, weighers, packaging machines for beauty and end-of-line) and cutting-edge technological solutions. An innovative SME, it stands out for its continuous investments in R&D (6.3 million euros in the last 3 years) which have allowed it to develop innovative technologies and packaging techniques internally capable of promptly satisfying customer needs. The ProGas technology, patented by ILPRA, is based on an exclusive work cycle that reduces the use and waste of gas and increases the productivity of machinery. With more than 20,000 machines sold, 371 employees, a vast network of salespeople and a presence in 9 countries (Italy, Spain, France, UK, United Arab Emirates, Saudi Arabia, India, Russia and South Korea), the Group achieves about 64% of its turnover abroad and directly oversees markets all over the world.
