

ANDREA ZINI

PROFILO

Graduated in 1997, he started his career as Product Manager at ILPRA Spa. Over the years, he has progressively advanced through the company hierarchy, demonstrating distinctive skills and an unwavering commitment to product management.

In 2019, he was promoted to Area Product Manager, assuming strategic and operational responsibility for the management and development of the product line. During this time, he successfully led his team in implementing winning strategies for the product portfolio.

As a result of his outstanding contribution, he was appointed as an advisor to the product manager department in 2019. In this role, he played a key role in high-level decision-making, helping to define business strategies and ensuring consistency with the department's objectives.
