

ALESSANDRO MARUFFI

After graduating in Economics of Financial Institutions and Markets, he continued his education by registering with the Order of Chartered Accountants and Auditors. His career developed within professional firms of accountants, where he acquired solid experience and expertise in the field of consultancy and auditing. Thanks to his dedication and professionalism, he became a partner in one of these firms, actively contributing to the management and development of activities.

Currently, he holds important auditing positions in several companies, confirming the trust placed in his competence and professional integrity. Among his most important roles, he holds the position of Chairman of the Board of Statutory Auditors at ILPRA SPA, demonstrating his ability to carefully guide and monitor company dynamics.
